Dear Parents

BEAULIEU COLLEGE SPORT - TERM 1, 2022

The pandemic that has controlled our lives since 2020 has also meant a very reduced sporting programme. We are hopeful that we will be able to resume and continue sport “as normal” in 2022. Please find below all the relevant links and information that will help you and your child/children to navigate the sports offerings this term.

Pupils are required to sign up for all sports for 2022, in advance (this will be completed this week) and are expected to see through their commitments for the season. Pre-season training, whilst highly recommended, is not compulsory and does not count as a sport during that term (e.g. hockey, rugby and netball in term 1). We would like each pupil to participate in at least one sport per term.

INFORMATION SHARING AND COMMUNICATION:

All relevant announcements, fixture information and schedules/fixtures will be posted on the Sports Google Classroom. All pupils must ensure they join this class, as this is a “live” platform and will contain all the most recent and up-to-date information. It is recommended that parents join the class too:

Please find the most recent co-curricular timetable here:

Parents will also be able to access schedules and fixtures on Moodle:

A weekly planner is sent out for the week ahead every Friday via email - this will confirm fixtures and bus departure times where relevant.

KIT AND TRANSPORT ARRANGEMENTS:

All pupils are to wear the College match kits, along with the relevant sports specific attire for matches. These items are available at the school shop. Tracksuits should be worn over the sports kit before and
